Testimonials
All comments below are from actual 2022 event attendees.

5 Stars!!! I would like to become involved in future LPF events.

Very informational for patient, physician and products available. Nice variety of topics in breakout sessions.

I thought the event was excellent in delivering my expectation. I learned a lot but had plenty of time to network.

Each portion provided a great balance of the entire event.

I found the breakout sessions to be very informative.

All of your speakers were excellent. The personal stories of the 2-time Boston Marathon winner and young Marine were gut wrenching, yet hopeful and inspirational. I will always be so grateful that my husband and I had LPF in our corner when challenges surrounded us.

Grand slam! The sponsor letter was fantastic, especially in helping to set expectations - table games, treats... Excellent presenters, and we love Liz & Buddy. All of the break outs were informative and perfect length & amount.

The symposium overall went very well. I enjoyed my time spent here. I look forward to future symposiums.

I felt this was a high quality event and one I would attend again in the future.

Excellent inaugural event.

Overall, a very good first conference.

Good content on the classes and very relevant exhibit hall information.

Strong work!

Good program and discussions.
