

Dear Friend,

An evening of Help, Hope, Possibilities will be the evening of Thursday, April 18, 2024 at the Denver Marriott West. The Limb Preservation Foundation exists to provide help, hope and possibilities to patients and families experiencing serious limb conditions due to tumor, trauma or infection. The Limb Preservation Foundation focus is to support the patient’s financial, emotional and medical education needs.

This event will attract approximately 130 attendees. Funds raised will be used for patient programming, including our Patient Assistance Program, which provides for living expenses annually for 50+ low-income patients/families undergoing limb care.

Our anticipated guests are from the medical profession and other industries. We typically attract high-level professionals and passionate past patients. This experience will offer a fun, engaging networking opportunity.
